

Privacy Policy for Workflow

This Privacy Policy describes how Workflow ("we," "us," or "our") collects, uses, and discloses your information when you use our mobile application Workflow (the "App") on Apple devices.

1. Information We Collect

We do not collect any personal information from you. All data you create within the Workflow App, such as your tasks, is stored exclusively on your device.

2. How We Use Your Information

Since we do not collect any personal information, we do not use your information for any purpose. All data you create within the Workflow App is used solely by you for the functionality of the App on your device.

3. How We Share Your Information

We do not share your information with any third parties because we do not collect any personal information. All data remains on your device.

4. Your Choices and Rights

You have full control over your data within the Workflow App. Since all data is stored on your device, you can manage, update, or delete your tasks directly within the App.

5. Data Security

All data within the Workflow App is stored locally on your device. We do not transmit or store your data on our servers. The security of your data is therefore dependent on the security of your device.

6. Children's Privacy

The Workflow App is a simple offline tasks app and does not collect any personal information from users, including children.

7. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page and updating the "Last Updated" date. You are advised to review this Privacy Policy periodically for any changes.
